

# STRESS-FREE APPOINTMENTS

The last thing anyone needs is added stress before an upcoming appointment. At Dynamic Medical Imaging, our team of specialists and technicians will ensure that your tests are carried out with utmost care and precision. Here are some helpful reminders of what you can do to prepare and ensure you have submitted that we will need prior to your appointment. We look forward to seeing you.

## Non-Contrast Studies

*Here's what you need:*

- ✓ Prescription is needed
- ✓ Clear understanding of exam being ordered
- ✓ Insurance ID number
- ✓ Approval number if required by patient insurance carrier

## Contrast Studies Requested

*Here's what you need:*

- ✓ Prescription is needed
- ✓ Current blood-work of BUN, creatine and GFR levels. *\*not older than 3 months*
- ✓ Approval if required by patient's insurance carrier
- ✓ Insurance ID number

*These items must be faxed to 908-505-9664 FIRST. Once they're received our scheduling team will contact you.*

*Please note, we recommend that all prescriptions along with patient name, date of birth, and phone are either faxed to 908-505-9664 or emailed to [dminjautho@gmail.com](mailto:dminjautho@gmail.com) in order to avoid any misunderstanding of the type of study being scheduled.*
