Discover DMI's *Upright MRI*...

OUR COMMITMENT TO OUR ANXIOUS/CLAUSTROPHOBIC PATIENTS:

1.

We will greet you with a smile.

2.

You will be treated with respect and dignity.

3.

We will listen.

4.

We will constantly communicate, communicate, communicate with you.

5.

You will be in complete control and can stop the study at any time.

6.

You will usually be able to choose what TV program you want to watch (there are a few studies where this may not be possible).

7.

We will discuss what is going to happen, prior to it happening.

8.

We will take as much time as needed to complete your study.

9.

You will be allowed to have someone in the MRI suite with you. He/she will have to be screened like you were, to assure it is safe to be in the room.

10.

You will never be alone.

11.

We will be there for you.

12.

We will encourage you to finish the scan.

13.

We will laugh with you.

14.

We will celebrate your victory.

OUR GOAL IS TO MAKE YOUR LIFE BETTER BY FINDING OUT WHAT IS WRONG, SO YOUR DOCTOR CAN PROVIDE THE BEST TREATMENT OPTION.
